# Introduction

Yvon Boleat, born in about 1620, and his wife Marie Bellec, are probably the director ancestors of all Boleats alive today. They were both born in or near Plufur, which together with its neighbouring communes, Lanvellec and Plouaret, were the home of the Boleat family for the next three centuries.

The line from Yvon and Marie is –

Yvon Bellec (abt 1620) and Marie Bellec  
Yvon Boleat (1656) and Jeanne Gueuziec  
François Boleat (1691) and Louise Thos  
François Boleat (1732) and Vincente Tudoret  
And then two brothers –

Jean Boleat (1774) and Marie Louise Le Pilot  
Yves Marie Boleat (1818) and Jeanne Auffret

Allain-Marie Boleat (1777) and Jeanne Feulou  
Jean Louis Boleat (1803) and Marie Le Brigant  
Pierre Marie Boleat (1805) and Anne Peron  
Jean Boleat (1810) and Jeanne Laurans  
Yves Boleat (1813) and Marie Mindeau

The descendants of Yves Marie Boleat and Jeanne Auffret include the Jersey branch of the family, begun by two of their sons, Yves Marie Boleat (1853) and Joseph Marie Boleat (1864).

An electronic version of the records is available on the website Ancestry, and can be accessed more directly through the website [www.boleat.com](http://www.boleat.com). It should be noted that the records cover only people born before 1920 unless they have known to have died subsequently.
